Alphabetical Listing of Names in the 1865-1867 Circuit Court Minute Book

NOTE: Names have been written as well as could be read thus there may be misspellings. Try alternate spellings or sound alike names. Initials may be incorrect or the same person may be listed two times with or without first names spelled out.

In some cases names may not be found if penmanship is so poor as to not be able to decipher a name. If you feel you have a case that should have been listed feel free to search the original book.

Not all names within the case itself are listed here, i.e. witnesses, etc.
